ONLINE DATA ENTRY INSTRUCTIONS:

Go to the website located at chrstx.dshs.texas.gov

There is a ‘**User Account**’ tutorial at the top right-hand corner of this web page. This tutorial provides instruction for creating your user account.

Be sure to save your username and password.

There is another tutorial titled ‘**VHSS Data Entry.**’ This tutorial provides instruction for entering your Annual Report Data online.

We recommend that you set a reminder to report each year. Facilities that have no screenings to report will submit the report with zeros.

The timeframe for entering your data is from January 15 to June 30. The system is not accessible outside these dates.

To login to the website you need your facility ID Number and FIN Code.
