

## learn it

What do I want the kids to know?  
**(application standards)**

What sequence of skill building is required?  
**(supporting standards)**

Which visuals, manipulatives, texts, and resources will we emphasize?

Guiding Questions for Kids:  
What is it about?  
What is my plan?

## apply it

Which experiences will we design/select for students to learn skills/apply their learning?

What evidence will we collect and use to evaluate learning?

- process
- content

Guiding Questions for Kids:  
How will I explain my thinking?  
How will I represent my learning?

## connect it

What **summative** assessment will we use to monitor student success?

What connection to faith can we make?  
**(Catholic identity standards)**

Guiding Questions for Kids:  
How is this connected to my faith?  
How will I apply what I learned in my life?
