

## learn it

What do we want the kids to learn?

- tools to know  
(reading process and comprehension)
- ways to Show  
(genre characteristics, overall meaning, and analysis for deeper meaning)
- author's craft

What genre(s) will we emphasize?

What texts will we use for teacher modeling and student practice?

Guiding Questions for Kids:  
What is it about?  
What is my plan?

## apply it

Which experiences will we design/select for students to learn skills/apply their learning?

Which text will we use for students to apply their learning?

Guiding Questions for Kids:  
How will I explain my thinking?  
How will I represent my learning?

## connect it

What **summative** assessment will I use to monitor student success?  
(worksheet, readworks.org, textbook, etc.)

What connection to faith can we make?

Guiding Questions for Kids:  
How is this connected to my faith?  
How will I apply what I learned in my life?
